

Golden Hours

Dunhill's new aromatic style tobacco, particularly appealing to the young smoker who likes a soft smoking, sweet tobacco with a pleasant aroma. A blend of black Cavendish, Burley and Carolina tobaccos enhanced by added flavour.

Virginia Ready Rubbed

Finest pressed Virginia sweetened and rubbed out after several days to provide a light easy smoke. A subtle added flavour gives a pleasant taste and bouquet. Ideal for smokers searching for an easy going smoking tobacco.

London Mixture

This mixture is of medium strength and cut, and is a good example of skillful blending of Latakia with Virginia and Turkish leaf. Having a pleasant, natural aroma, it is ideal for the new smoker.

Standard Mixture

A traditional English smoking mixture using superior Cyprus Latakia and Oriental tobaccos, blended with that cured Eastern Carolina and Georgian tobaccos, lightly toasted. Provides a cool, rich smoke. Standard Mixture is made in both Mild and Medium strengths. The Medium blend is especially suitable for the beginner.

Early Morning Pipe

Mild and delicate flavour providing a satisfying, slow burning smoke. Sweet Oriental tobacco is blended with bright and red Virginia, pressed and lightly stoved. Finally the blend is enhanced by a touch of medium-fired Latakia. Ideal for the "first pipe" of the day.

Light Flake

Medium strength. Selected Lemon and Bronze Virginias are long pressed for a cool, slow burning smoke. A most

demanding brand to process, both in time and expertise to ensure the quality expected by Dunhill tradition.

My Mixture No. 965

This superb blend has gained world fame with connoisseurs of full-bodied tobacco and has been described as the finest smoking mixture ever produced. Choice small Latakia leaves noted for their rich mellow flavour, are blended with bright Macedonian tobacco for sweetness. To complete the blend we add Brown Cavendish, rich in natural oils and aroma. A delightful smoke for the confirmed pipe smoker.

Nightcap

A richer more thoughtful mixture for the evening. Small leaved Turkish, matured with American leaf and Latakia with the addition of costly Perique to enhance the bouquet. Matured by our blenders and specially processed for a slow, lasting smoke.

Gold Label

A blend of finest matured Virginia tobacco manufactured by the Cavendish process in which the tobaccos are pressed and sweetened to provide a gently aromatic and smooth smoke.

The "Royal Yacht" Mixture

A luxury tobacco appealing to the discerning pipe smoker comprising quality Lemon and Bronze Virginia leaves carefully conditioned for sweetness and heavy bodied Virginia the salubrious of the blend and make "Royal Yacht" ideal for smoking in company.

Elizabethan Mixture

Tobacco grown in the areas of North America first cultivated during the reign of Queen Elizabeth I are darkened and cured by pressing them carefully cut to ensure even burning. Finally, costly black Perique is added to stimulate the flavour.
