We firmly believe that these are the finest pipes that craftsmanship can produce. Large blocks of Mediterranean Briar without blemish and beautifully grained are exceedingly rare. The fittings, of 14K gold and hand-fitted solid rubber, are in keeping.

The finest shops show Sterncrest "Special Make."

These models can be had in either satin burnished or antique finish.

**STERNCREST 14K
matched set**

set of 7 - - **\$100.**

Here's a collection of pipe gems: one for each day in the week. By actual count, LHS carves 4,000 pipe bowls before one is found to be worthy of this set. Each pipe represents the acme of pipe perfection — carved from a burl of imported Algerian briar, circled in 14K gold, fitted with a hand-crafted hard rubber bit.

LHS PIPE MATES

STERNCREST STERLING

Very rare indeed, these sets of matched imported briar beautifully boxed as a memorable gift.

set of 3 - - **\$20.**

set of 2 - - **\$15.**

THE STORY OF LHS STERNCREST PIPES

The name "Sterling" aptly describes this handsome pipe not only because of the sterling silver band that encircles it, but because of its sterling qualities—carefully selected imported briar, solid rubber mouthpiece, expert workmanship. There are many models to choose from in plain or antique finish—every one numbered, registered and guaranteed by LHS.

Patricians among pipes are the LHS Sterncrests, masterly expression of the pipe-maker's art. Made of choice imported Mediterranean briar carefully chosen for beauty of grain, LHS Sterncrest pipes enjoy the skill and experience of nearly 50 years devoted exclusively to the perfection of fine briar pipes.

\$750

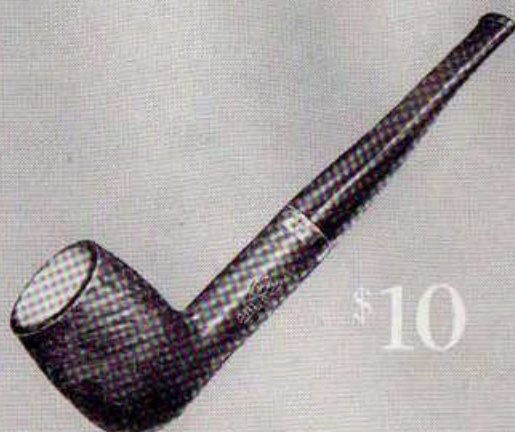

Just as 14K stands for fine quality in gold, Sterncrest 14K stands for fine quality in pipes. Handsomely made of the choicest imported Mediterranean briar, the Sterncrest 14K is a pipe to cherish for years of smoking pleasure. The Sterncrest 14K, with a solid rubber bit and 14K gold band, is available in a fine assortment of styles in smooth or antique finish. Numbered and registered by LHS, every pipe in this superior line is guaranteed to be "good as gold".

CRAFTSMANSHIP FOR THE CONNOISSEUR

LHS ULTRA-FINE

A patrician among pipes, LHS Ultra-Fine is a collector's item of rare excellence. Only a few of these pipe aristocrats can be produced at one time because they're made of the most meticulously selected imported briar and lined with hard-to-get genuine black meerschaum. Every Ultra-Fine is trimmed with a 14K gold band, fitted with a vulcanite bit, and finished with an exquisite polish. Here is the ultimate in pipe perfection for your collection. Beyond Ultra-Fine, the pipe-maker's art cannot go.

CERTIFIED PUREX

\$3.50

This is probably the most famous of all LHS pipes—a pipe made of genuine imported Mediterranean briar, and yet still for sale at its pre-war price of only \$3.50. This is truly the greatest pipe value on the market. A guarantee comes with each pipe.

To the Purchaser of this Certified Purex Pipe:

CERTIFIED
Purex

WE GUARANTEE

this Certified Purex Pipe to be perfect in material and workmanship — the label to be made of the finest imported aged Heart Briar Root and the mouthpiece of the best quality rubber or ebonite. Should the bowl of this pipe burn out or crack within 90 days from date of purchase, return this pipe to us mentioning the registration number and we will replace it without charge or expense if necessary.

L. & H. STERN, INC.

SUPERFINE PUREX

All that the name implies—a really superfine value in pipes. Superfine has all the exclusive pre-war features: air-tight safety lock, metal to metal, that prevents breaking—purex detachable piston—pipe aluminum filter which purifies smoke and traps all saliva.

USE A ZEUS NOW BACK IN ALUMINUM

*The famous cigarette filter holder
with the convenient ejector.*

There's no need to "cut down" or "cut out" cigarette smoking . . . if you use a Zeus. This is the famous holder that filters by smoking one cigarette through another—positively eliminates the bulk of the irritating nicotine and tars of cigarette smoke without affecting the taste of the cigarette itself.

To see how the harmful constituents of cigarette smoke are absorbed by the Zeus, just place an ordinary cigarette in the specially designed filter tube. Then use like any other holder. After smoking 20 or 30 cigarettes, remove the filter cigarette. You'll be amazed at what's in the filter cigarette — and not in you!
